

KIFAD staff and volunteers celebrate the foundations for the new health centre being laid.

Norah Nansubuga and her grandson rely on KIFAD for home visits and support.

What is KIFAD and KIFAD UK?

KIFAD is a local Ugandan non-governmental organization based in Nansana, Wakiso district which supports those living with HIV and AIDS. They offer home visits, counseling, condom distribution, tailoring and design courses for women, free HIV and AIDS testing and much more. **KIFAD** are currently building a much needed HIV and AIDS health care centre in the area to support their clients further.

Kiyita Family Alliance for Development UK (**KIFAD UK**) was established in 2014 with the aim of supporting the inspiring work of the **KIFAD** through fundraising in the UK.

i **KIFAD UK is run by 5 Trustees and is applying for status by the Charities Commission to operate as a 'small charity'; aiming to raise under £5K per year.**

KIFAD UK and **KIFAD** share a vision to build a community initiative programme that supports those like Norah and her grandson. A new health centre, giving local people access to health care, means Norah and others like her won't have to decide between spending what little money they have on either food or on transport costs to visit a clinic out of town.

Please support us by giving what you can to make this dream a reality!

i **We send regular shipments of children's clothes and toys to KIFAD in Uganda to distribute to their clients. All clean items will be gratefully received and much appreciated by the families of Nansana.**

Why does KIFAD UK need your support?

Life for many in Nansana can be incredibly tough; poverty is rife, there is a high prevalence of HIV and AIDS while money and access to local health care remains scarce. This means KIFAD have a lot of people in the community to support and a new health centre would have a real impact on many people's lives there. KIFAD UK need to raise £10,000 for KIFAD to finish building the health centre. Can you contribute to this total and make a real difference to the people in Nansana?

i KIFAD UK HAS 2 MAIN AIMS:

- 1) To raise funds for KIFAD to build the HIV and AIDS health centre.
- 2) To regularly send children's clothes and toys to help support families in Wakiso district. We need you to help us achieve these goals and make a real difference to KIFAD clients

"I am very happy to have received clothes for my granddaughter. Please keep up this good work. Thank you KIFAD UK."
